## Season Package (\$125)

The Season Package includes every regular season game, playoff games, and the team highlight video. Most games are recorded with the radio broadcast included. Game DVDS will be delivered following the season. Season packages make great gifts for students or relatives. Don't miss out on the chance to save these memories for yourself or your son. (2007-2009 seasons available)

## Team Highlight Video (\$50)

All of the seasons best plays with special editing and music. Usually around an hour long. (2007-2009 available)

## Individual Player Highlight Video (\$150 - \$300)

An individual player highlight video is a premium service offered by CK Video. It is HIGHLY recommended that you let us know early in the season if you are even considering an individual highlight video so that we can deliver your DVDS to you in a timely manner after the season. Videos for college scouts will be done first at the end of the season. Videos not intended for college use will be completed last. These usually take several months to complete, and in some cases even longer. Individual player highlights are a great Graduation or Christmas gift. Don't miss out on the chance to save these priceless memories for years to come.

### Option 1 (\$150)

This individual player highlight video is primarily used for college recruiting purposes. This option includes no special editing or music. It is simply all of a players best plays of the 2009 season. You can use it to send to colleges to help in securing athletic scholarships. An additional fee will be added for any special editing requested. This option comes with 5 copies of the DVD. Extra copies are \$2.00 each.

### Option 2 (\$200)

This option is one of our premium products. This option gives you all of a players best plays, with music and special editing including slow motion replays and special effects. Videos usually run from 10-20 minutes, depending on the number of highlights. This option also includes the video from option 1. This option includes 4 copies of the video with music and 1 copy of the option 1 video. Extra copies are \$2.00 each.

### Option 3 (\$300)

This option is the same as option 2, only the player can choose his own music to be used in the video. A personalized video is created that is unique to the individual player. It requires the most editing time, and will take the longest to complete.
